

Dear student,

Warm greetings from the Amsterdam University of Applied Sciences, School of Digital Media and Creative Industries.

This is our online application service for enrollment.

- ✓ Letter of motivation in English
- ✓ Copy of an official and recent transcript in English
- ✓ Proof of health insurance

### **Housing**

On the profile page you can also indicate if you would like the international office to reserve housing for you. We highly recommend you to make use of this service. If you choose to arrange housing on your own, please be aware that you will have to start searching soon. Finding affordable housing in Amsterdam can be challenging. Do not wait until the last moment! The international office can provide you with tips & tricks where to look.

### **Minor programme**

Instead of taking individual courses, it is in our faculty just possible to take one complete minor. This is a one-semester (30 ECTS) study programme which consists of a number of fixed, pre-selected courses focusing on a specific field of study. This means that it is not possible to select individual courses of one semester programme and combine with other courses of another programme in order to compose an own individual study programme. Each student has to apply for a full study programme of 30 ECTS.

## Clusters

Now you can start to apply for one of our minor programs. First read the individual minor descriptions in our brochures online:

<http://www.amsterdamuas.com/education/programmes/exchange-programmes/media-information-and-communication/media-information-and-communication.html>

- Go to the tab 'Enroll'
- Choose: 'Incoming exchange'
- Now you see the available minor programmes (complete programme of 30 ECTS)
- You can simply add a minor by clicking the + behind the minor name
- Done? Click 'Next' and 'Submit'

Many thanks in advance for using our online application service! Should you have any questions or concerns, do not hesitate to contact us at [international-co-cb@hva.nl](mailto:international-co-cb@hva.nl)
